

HUDSON VALLEY
LIGHTING GROUP

Contract & Hospitality

Drawing upon each of our six brand's core strengths, we partner with designers, architects, and contractors to design and manufacture fixtures for the most upscale properties around the world. We do this with agility, tenacity, and pride in our work. With more than 50 years in the industry, a committed team, and a wide-ranging portfolio from Hudson Valley, Corbett, Troy, Mitzi, CSL and Sonneman, we make contract and hospitality lighting easy.

HVLG Advantage

Standard In-Line Product

Browse and select product from our standard line, which includes thousands of fixtures that cover every category and style. Many of these options are also in stock in large quantities.

Modified Standard Product

From a custom finish, to ADA compliance, to energy-efficient lamping options—our standard product is a great starting point for any project you are working on. Find something you love in the standard line and make modifications so it fits perfectly for your project.

ADA-Compliant Wall Sconces

Whether you're outfitting a hotel, restaurant, office, or retail space, our ADA-compliant wall sconces offer the perfect blend of style and functionality. With over 600 options, Hudson Valley Lighting Group helps make it easy for designers to specify and select fixtures that fit all your project needs.

Valued Engineering

As a design professional, you light up spaces with your creative vision. That's why commercial designers and procurement pros turn to us for the perfect balance of design and budget. We're experts at bringing your projects to life on time and within budget, all while honoring and amplifying your original concepts. Every element of our products is instilled with the same meticulous attention to detail and quality craftsmanship that defines the Hudson Valley Lighting Group. It's not just about great design; it's about creating enduring quality that elevates every space.
