THE TAILORED SHADE COLLECTION

Designed to bring a more collected feel to everyday lighting, our Tailored Shades pair thoughtfully proportioned, decorative shades with some of our most-loved lamp silhouettes. Gathered fabrics, expressive patterns, and softened forms introduce warmth, texture, and personality, offering a layered take on familiar favorites.

Available in three versatile silhouettes and three signature prints, each recommended pairing has been curated by our Design team to ensure beautiful scale, proportion, and styling cohesion.

Whether refreshing a beloved lamp or creating a new decorative moment, Tailored Shades offer an easy way to personalize lighting with softness, charm, and character.
