

Elevating the perfectly-imperfect to create inviting atmospheres of natural comfort.

Our aesthetic is a study in earthy-meets-sophisticated design informed by an updated sensibility that's contemporary and elevated. Our lighting creates warm, comforting environments. We turn homes into swoon-worthy, lived-in sanctuaries.

TROY ELEMENTS

Withstand the Elements in Style

The high-end design of Troy Lighting specially designed to endure the elements. Developed from a biodegradable composite material and high-performance finishes, these exterior pieces can withstand a multitude of outdoor elements. They are non-conductive, flame retardant, anti-UV, corrosion-resistant, acid and alkali resistant, and can withstand a wide range of temperatures.
