SPRING COLLECTION 26

Bohemian

New Bohemian reimagines the romance of Art Nouveau through a modern, collected lens. Flowing silhouettes, vintage-inspired forms, and retro-inflected patterns are layered with rich textures and expressive detailing. Each piece feels artful and individual—balancing nostalgia with freshness—to create statement lighting that embodies creativity, movement, and bold personal style.

Milos

The Milos family pays homage to classic Italian craftsmanship while feeling unmistakably modern through its slender proportions and updated glasswork. Tiers of droplet-shaped borosilicate glass cascade in layers, shimmering with a swirled champagne optic that catches and scatters light. A Vintage Gold Leaf frame contributes to the sense of old-world glamour.

Innsbruck

Innsbruck unfurls like a bouquet caught mid-air. Slender stems float asymmetrically, traveling through space with seeming unpredictability. Hand-applied texture ripples across the surface of the metalwork, adding a sense of realism. At the end of each arm, a blossom-shaped shade cups the light source, directing illumination.

Pedrillo

Inspired by a lavender plant in bloom, Pedrillo unfurls in a flourish of coco bead arms that rise into an airy, voluminous bowl silhouette. This ornate family celebrates traditional craftsmanship, with bead-encrusted branches that catch and soften the light as it streams through. Finished with cream plaster elements to create a cohesive color story.

Positano

Draping like a necklace from the ceiling, the Positano chandelier family mixes a delicate chain suspension with organic shaping. Flat, pod-like cloud-seeded glass shades dangle like beads along the decorative swag, which is finished in timeless Vintage Brass.

Luxe

Inspired by fine jewelry, Modern Luxe reimagines clean, modern silhouettes with new dimensions through luxurious materials and exquisite detailing. Decorative yet refined, gestural metalwork juxtaposes striking shades in rich materials, such as natural stone and distinctive glass. From standalone statement pieces to expansive, multi-layered geometric installations, each fixture is a captivating objet d'art.

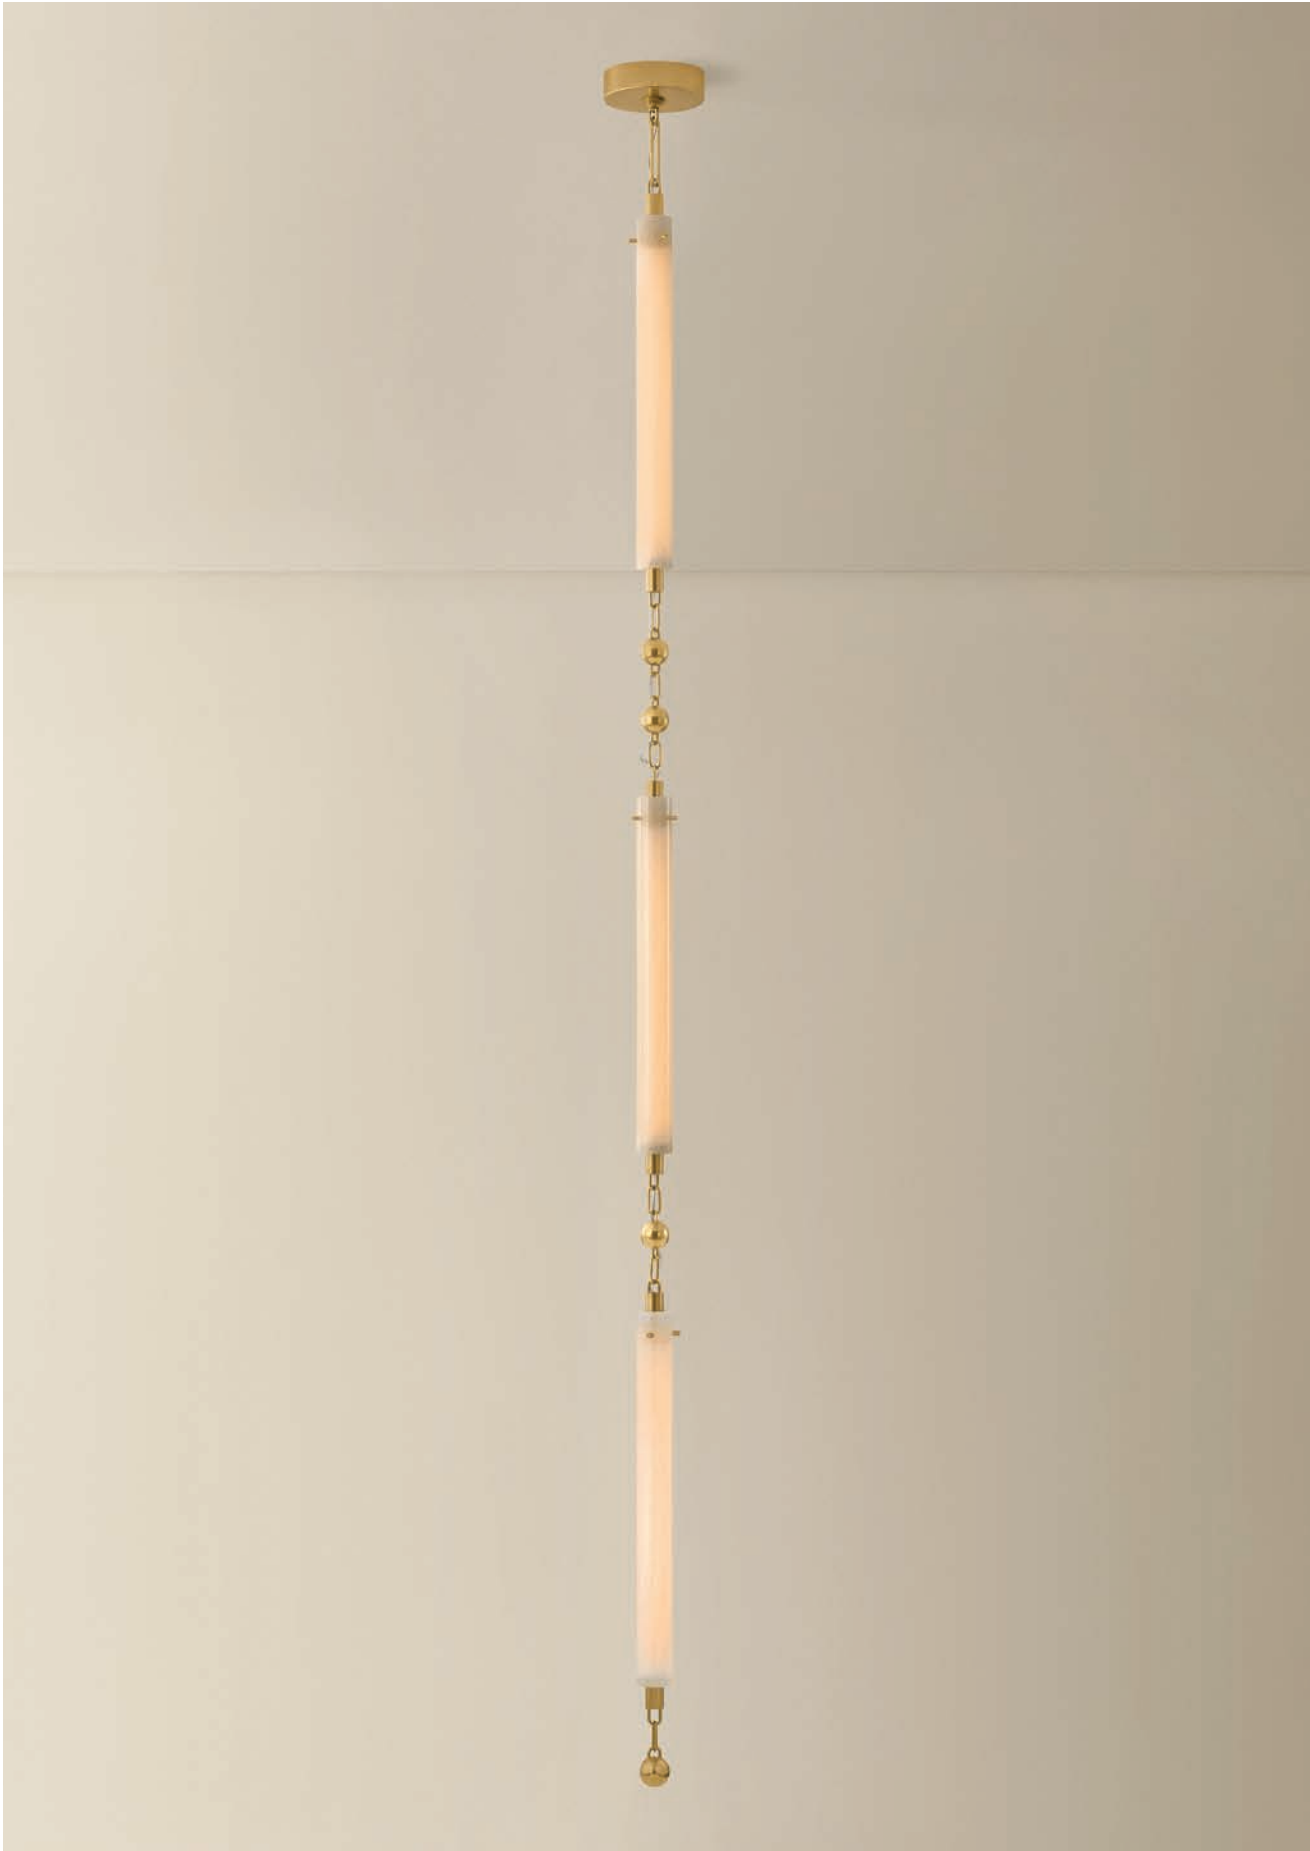

P arigi

The jewelry-inspired strands of the Parigi family channel the unmistakable glamour of its namesake city. Designed to feel bespoke and expressive, each fixture is accented with sculptural metal baubles and a distinctive elongated linkage finished in Vintage Brass. Cloud-seeded glass tubes fill with an ethereal glow as they dangle from the frame.

NOZ oz ozawa

San Francisco-based interior design firm Noz Design is known for creating immersive residential and commercial spaces rooted in narrative and a collected-over-time aesthetic. This second collection with Corbett Lighting continues Noz Nozawa's vision of jewelry for the home, introducing organic, textural materials such as handwoven rattan, bleached abaca, and luminous alabaster. Her signature chain details return, reworked with added texture and material depth to complement the collection's imaginative new silhouettes. The fixtures feel both familiar and refreshed, layered with references that evoke Noz's love of the outdoors, traditional craftsmanship, food, and unexpected moments of delight in her daily life.
